

Safety Statement

Safety comes before profitability

(from the Furrer+Frey mission statement AU-3.01.51)

Safety at Furrer+Frey AG means:

Core concept

We are committed to ensuring safe and healthy working conditions.

We strive to avoid all accidents and safety-related incidents.

Prevention and goals

We identify health and safety risks at an early stage.

We eliminate hazards and minimise risks.

Leadership and behaviour

We behave in a safe manner.

We fulfil our responsibility in terms of safety as managers and employees.

In the event of danger and doubt, we say STOP.

Communication and training

Our employees are well informed about health and safety.

We actively provide instruction and training.

Requirements

We adhere strictly to legal and other requirements related to occupational health and safety.

Continuous improvement

Together, we continuously improve our approach to occupational health and safety.
